

CYMDEITHAS GENEDLAETHOL DAWNS WERIN CYMRU

CANLLAWIAU BEIRNIADU
DAWNSIO GWERIN A CHLOCSIO

1. Canllawiau Beirniadu Dawnsio Gwerin a Chlocsio

Mae is-bwyllgor o Gymdeithas Genedlaethol Dawns Werin Cymru (CGDW/C) wedi paratoi canllawiau beirniadu dawnsio gwerin a chlocsio. Maeaelodau eraill o'r pwyllgor gwaith eisoes wedi rhoi mewnbwn i'r canllawiau. Bwriad y Gymdeithas yn awr yw trafod y canllawiau ymhellach mewn cyfarfodydd o bosib mewn pum ardal yng Nghymru. Yn ogystal â'r Gymdeithas, mae'r Urdd hefyd am weld canllawiau ar gael ar gyfer y lluaws o feirniaid sydd eu hangen yn holl Eisteddfodau'r Urdd. Amgaeir, felly, y drafft diweddaraf o'r canllawiau.

Rhestr o Feirniaid Dawnsio

Mae'r Urdd a'r Gymdeithas hefyd am weld rhestr o feirniaid dawnsio gwerin a chlocsio ar gael. Mae nifer o enwau beirniaid posibl eisoes wedi eu casglu o rai ardaloedd. Byddwn felly yn falch o dderbyn enwau'r rhai sydd â diddordeb ac sydd â phrofiad neu'r cefndir i'w cynnwys ar y rhestr beirniaid (trwy ebost os yn bosib). Byddai hyn yn cynnwys y rhai sydd eisoes yn beirniadu yn ogystal â'r rhai sydd am gynnig eu henwau am y tro cyntaf. Bydd pawb sydd eisoes yn beirniadu yn Genedlaethol yn cael eu cynnwys ar y rhestr yn naturiol, os dyna yw eu dymuniad. Bydd angen i'r beirniaid fod â gwybodaeth gyfredol o ganllawiau'r Gymdeithas.

Er mwyn cael eich cynnwys ar y rhestr o feirniaid, bydd angen crynodeb o brofiad, cefndir a manylion cysylltu fel y gwelir yn yr atodiad amgaeedig. Bydd angen caniatâd yr unigolion cyn ei cynnwys. Byddai o fudd i'r beirniaid fod yn aelod o Gymdeithas Genedlaethol Ddawns Werin Cymru er mwyn diweddu gwybodaeth a bod yn ymwybodol o gyhoeddiadau yn y dyfodol, diweddu i'r canllawiau a chyrsiau. Mae'n fwriad gan y Gymdeithas i gynnal cyrsiau yn y dyfodol agos i'r rhai sy'n dangos diddordeb mewn beirniadu.

Guidelines for Adjudication of Welsh Folk and Clog Dancing

A sub-committee of the Welsh National Folk Dance Society (WNFDS) has prepared guidelines for the adjudication of folk dance and clogging. Other members of the Executive Committee have already given their input into the guideline. The Society's intention is to give an opportunity for everyone to discuss the guidelines at further meetings in possibly five areas of Wales. The Urdd, as well as WNFDS, would like to see guidelines made available to the many judges that are needed in all the Urdd's Eisteddfodau. The latest draft of the guidelines is attached.

List of Dance Adjudicators

WNFDS and the Urdd would also like a list of folk dance and clogging adjudicators to be made available. A number of names of potential adjudicators have already been collected from some areas. We would therefore be pleased to receive the names of those who may be interested and have the necessary experience or background to be included on the list of adjudicators. This would include those who currently adjudicate and those wishing to put their names forward for the first time. All those who have already adjudicated nationally would be automatically included, if they so wish. Those wishing to be included should be prepared to have a working knowledge of the Society's adjudication guidelines.

To be included on the list of adjudicators, a brief resume of experience, background and contact details will be required as indicated in the attached appendix (by email if possible). When a person is nominated, their permission must be sought first. Anyone wishing to remain on the list in the future should ideally be a member of the WNFDS in order that details and particulars can be updated and to be made aware of future publications, amendments to the guidelines and courses. It is the intention of the Society to run courses in the near future for those showing an interest in adjudicating.

Canllawiau Beirniadu Cloсsio/Stepio

Mae'r adran "camu", mwy neu lai, yn gyfieithiad o 4 adran o "Adjudication Grid" a luniwyd tua 2005 yn y ddogfen "Canllawiau i Hyfforddwyd, Cloсsyr a Beirniaid" Dylid defnyddio canllawiau Dawnsio Gwerin mewn perthynas â'r isod wrth feirniadu dawsiau fel Dawns y Marchog, Hudoles, Morfa Rhuddlan ayb. gan eu bod yn ddawsiau gwerin gydag ychydig o stepio ynddynt

| | | Camu | <u>Pwysau</u> |
|---------------|-----|--|---------------|
| Eglur | a) | A oedd y camau yn eglur a phendant (precise). Dim "scuffing" na sŵn "muffled". | |
| Amrywiaeth | a) | Sawl cam a welwyd? Ni fydd ail-adrodd camau drwy'r ddaws yn cystadlu'n dda yn erbyn dawnswyr sydd a nifer fawr o gamau. | |
| | b) | A oedd amrywiaeth o ran sŵn (cryf a gwan) a rhythm | |
| Cymhlethdod | a) | Pa mor gymhleth, clyfar neu ddyfeisgar oedd y ddaws? | |
| | b) | Mae dawsio camau syml yn feistrolgar yn syniad da. Fodd bynnag, bydd dawnswyr sydd wedi gweithio'n galed i greu camau newydd a chymhleth a'u meistrioli yn ennill mwy o farciau. | |
| Traddodiadol? | a) | Rhaid i'r dawnswyr berfformio camau sawdl a gwadn. Dim siffrwd na thripled i heb ddefnydd o'r sawdl. | 60 |
| | b) | A glowyd y camau ar ôl 8 neu 16 bar? | |
| | c) | A wnaeth y dawnswyr berfformio dawns stepio a nid dawsio mewn cloсs? Dylid osgoi dilyniant hir heb rhythm ergydiol. | |
| | ch) | Pan welir neu pan osodir thema, dylai'r pwyslais fod ar y camau. Derbyd y bydd rhai yn portreadu thema yn haniaethol tra bod eraill yn dweud stori | |
| | d) | Disgwylir dawsio hyderus gyda'r bechgyn yn dangos cryfder tra bod y merched yn dangos ysgafnder. Pan yn defnyddio offer, ran amlaf, dylai codi a gosod yr offer i lawr fod yn rhan o'r ddaws yn hytrach na'u lluchio i ffwrdd. Perfformir triciau gan fechgyn yn unig. | |

| | | Hyder a Pherfformiad | <u>Pwysau</u> |
|--------------|----|--|---------------|
| Edrychiad | a) | Clocs/esgidiau taclus ac addas i ofynion y ddaws. | |
| | b) | Gwisg addas i ofynion y ddaws. | 10 |
| | c) | Offer, os yn berthnasol, addas. | |
| Cerddoriaeth | a) | yn rhan annatod o'r perfformiad | |
| | c) | yn hwb i'r dawnswyr o ran cyflymder priodol, curiad cadarn a brawddeg u da | 10 |
| | c) | y cyd-ddealltwriaeth rhwng y cerddor(ion) a'r dawnswyr yn allweddol | |

| | | |
|------------|---|----|
| | ch) cyd-ddealltwriaeth rhwng y cerddor(ion) a'i gilydd | |
| | d) cadwyn o alawon addas i'r ddawns. Weithiau, gosodir rhai alawon. | |
| Cyfanwaith | a) Presenoldeb da. | 20 |
| | b) Mynediad pwrpasol fel arfer yn datblygu i uchafbwynt trawiadol | |
| | c) Amrywiaeth o ffigurau clir. | |
| | ch) Defnydd da o'r llwyfan | |
| | d) Brawddeg da gan lifo o un cam/patrwm/rhythm i'r llall. | |
| | dd) Cyfathrebu da gyda'r gynulleidfa a chyd-ddawnswyr (os yn berthnasol). | |

Clogging/Stepping Adjudication Guidelines

The "stepping" section is, virtually a translation of the 4 sections of the "Adjudication Grid" created in 2005 in the document "Guidelines to Teachers, Cloggers and Adjudicators"

Folk dance guidelines should be used in conjunction with the following guidelines when adjudicating dances such as Dawns y Marchog, Hudoles, Morfa Rhuddlan etc - i.e. folk dances which include some stepping

| Stepping | | <u>Weight</u> |
|-----------------|--|---------------|
| Clarity | a) Did the steps sound clear and precise? No scuffing or muffled sounds. | |
| Variety | a) How many steps were danced in the routine? Repeating steps throughout a performance will not contend well with a dancer who has a wider range of steps. b) Did the routine vary in both sound (powerful and soft) and rhythm | |
| Complexity | a) How complex, clever or inventive was the routine? b) Simple stepping done well is of course a very good idea. However dancers who have worked It is hard to develop new or intricate steps and dance them well, this will gain higher marks. | |
| Traditional? | a) A dancer must perform heel and toe stepping. No shuffling or triples without the use of the heel b) Were the steps locked at the end of 8 or 16 bars? c) Did the dancer step dance and not simply dance in clogs. <u>Long</u> sequences without percussive rhythm should be avoided d) When a theme is seen/given, the emphasis should be on the stepping. Accept abstract and storytelling routines when a theme is seen e) Confident dancing is expected with the men exhibiting strength whilst the women display lighter movements. When using props, these should usually be picked up and put down as part of the dance rather than be indifferently discarded. Tricks should be performed by men only | 60 |

| Confidence and Performance | | <u>Weight</u> |
|-----------------------------------|--|---------------|
| Appearance | a) Clogs / shoes to be tidy and appropriate to the needs of the dance b) Dress appropriate to the needs of the dance c) If relevant, any props used to be appropriate, | 10 |
| Music | a) an essential part of the performance b) to assist the dancers, as regards appropriate speed, definite rhythm and good phrasing. | 10 |

| | | |
|---------|--|----|
| | c) co-ordination and understanding between the dancers and the musicians is vital d) perfect co-ordination and understanding between the musicians themselves e) a medley of tunes appropriate for the dance. Sometimes, some tunes are set. | |
| Overall | a) Good presence b) An appropriate entrance usually developing to an exciting ending c) A range of clear figures d) Good use of the stage e) Clear phrasing, with one pattern/step/rhythm moving easily on to the next one f) Good interplay with the audience and co-dancers (if relevant) g) Good body stature - and keeping feet under the body for pitter-patter and triplets. | 20 |
